## ◆ ARTIST BIO

TSpencer — known on stage as **Saxophone Spencer** — is an award-winning professional saxophonist whose smooth, soulful Tenor Saxophone sound draws immediate comparisons to **Kenny G** and **Dave Koz**. With over **20 years of professional performance experience**, Spencer has graced international jazz festivals, West Coast venues, wine bars, luxury hotels, weddings, corporate conventions, and private events with equal artistry.

A formally trained musician, Tyler Spencer studied music at the **University of Nevada, Reno** and earned distinction as a **three-time Music Association of California Community Colleges Honor Band member (1997–1999)** and **seven-time California Music Education Association Ensemble Award recipient**. After connecting with a blues band in Portland, Oregon, Spencer has since built a prolific recording and performance career, releasing **seven studio albums** and accumulating **more than 2 million streams and downloads** across music platforms.

Based in **Redding, California**, Spencer is the CEO and Head of Operations at **TSpencer Music Corporation** — a full-service music performance, marketing, publishing, and promotions company. Whether filling a room with ambient elegance or commanding a stage, Saxophone Spencer delivers an unforgettable musical experience.

*" The sweet sound of Spencer — where every note tells a story. "*
